SPC Flooring – Champagne Oak

SPC Flooring – Champagne Oak

Timeless elegance with a warm golden touch

Bring a sense of luxury and warmth to your space with our Champagne Oak SPC flooring. Inspired by the soft golden tones of natural oak, this flooring delivers a refined and sophisticated look that complements both modern and classic interiors.

Its smooth wood grain pattern and light champagne hue enhance brightness, making any room feel more open, elegant, and welcoming. The seamless plank design adds a natural flow, creating a clean and premium finish across the space.

Built with advanced SPC core technology, Champagne Oak offers excellent durability, water resistance, and long-lasting performance, making it a perfect choice for everyday living.

SPC Flooring – Savannah Elm

SPC Flooring – Savannah Elm

Natural character with warm earthy elegance

Inspired by the rich textures of elm wood, Savannah Elm SPC flooring brings a grounded and inviting feel to any space. Its warm brown tones combined with distinctive grain patterns create a natural, slightly rustic look that adds depth and personality to interiors.

The balanced color variation enhances realism, while the long plank layout provides a smooth and continuous flow across the floor. It works beautifully in both modern and classic settings, offering a perfect blend of comfort and style.

Crafted with advanced SPC core technology, Savannah Elm ensures excellent durability, water resistance, and long-lasting performance, making it ideal for everyday use.
